RE: Letter from FEC dated 9/3/10 for Monthly Report (6/1/10-6/30/10).

Dear Ms. Miller,

Regarding item #1 and the Schedule A receipt from Pinnacle List Company, the committee reviewed the transaction and determined that the receipt was list rental income. Pinnacle List Company is a profession company that specializes in the rental of mailing lists. They charge the usual and normal fees for the rental of our list based on the age, the donor make-up of the file and consideration of the market price of similar lists.

Regarding item #2 and the payment to Gary Bauer, we have reviewed this disbursement and we have amended our report to more precisely describe the consulting services he provides.

Sincerely,

Dorie Black, Treasurer
